Great Southern Ram Sale Monday January 21, 2019

Exhibition Park - Canberra
Commencing 11am

Offering our first stud sire at the Great Southern Ram Sale, Monday January 21, 2019. We are serious about offering you our best. This young ram would have usually been kept for the August Ram Sales; *but wouldn't he be better in your paddock instead of ours!* Don't miss this chance to increase your flock productivity. You won't be disappointed!

Tag: TWG 0407 Sire: Top Strong Syn

Side sampled in Sept '18 18.5mic
To be retested two weeks prior to January sale.

Aug/Sept 17 drop, this ram is the productivity package. Visually he has 60's wool count. The wool is rich and well norished, he is structurally very correct and sound on his feet. A young sire with loads of potential and just cutting his two teeth.
